

Subject:

Family Timeline

Page of

The form contains three identical family timeline templates stacked vertically. Each template consists of a central horizontal grid with vertical lines. Above and below the grid are diagonal lines, each ending in a small square, representing a space for writing names and dates. The grid is bounded by vertical lines on the left and right, and horizontal lines at the top and bottom. The top and bottom horizontal lines of each template are slightly offset from the grid's edges.
