

This homework will not be graded and it will not count as one of the graded assignments. Completion, however, is mandatory. Please email your answers to your instructor directly—heeringa@cs.williams.edu or 09wkj@williams.edu—do not send an attachment or a link to a Google doc. Plain text email only! Take care to be clear and concise.

- What is your preferred name?
- What are your preferred pronouns (she, he, they, zie, xe, etcetera)?
- Why are you taking CS 135?
- Have you ever programmed before? When? In what language?
- Do you have any questions for me? If so, what are they?
- Did you register for a GitHub account and send your username to both Brent and Bill?
